---

The Mid-Century 1-light pendant brings definition and personality to any space. A row of these pendants would be perfect over a breakfast bar or kitchen island, or a pair of them could be used to elevate bedside lighting. Rounded clear glass, a warm Aged Brass finish and the option to semi-flush mount make this piece versatile. Also available in Polished Nickel, these pendants are perfect for introducing a mixed metal decor scheme.

**Collection:** *Mid-Century*
